DIGITAL DATELINE

"BUILD IT LIKE WE OWN IT"

ORION TEAM – In an effort to look ahead and provide greater scheduling transparency we're asking for your feedback as it relates to scheduled Saturdays for the month of May.

Currently, we've planned to run production on three Saturdays in May: **May 6th**, **May 13th** and an additional date to be decided by you. The potential third date is **May 20th** or **May 27th**, which falls on **Memorial Day Weekend**. While it's not ideal to work three Saturdays in a row, we also want to be considerate of the holiday.

Please utilize this link to submit your feedback by **Friday, March 17**: https://gm.az1.qualtrics.com/jfe/form/SV_bxR4yiLj43EOBVY. Note that you can only submit one vote per person.

Thank you in advance for your hard work and dedication to meeting our team goals,

Jim Quick
